

***Prevent Low blood  
calcium levels with***

# **CALCIRAC-P**

**Suspension**

Calcium Phosphate 774 mg eq. to elemental Calcium 300 mg  
eq. to elemental Phosphorous 150 mg, Magnesium Oxide  
eq. to elemental Magnesium 75 mg, Zinc Gluconate 4 mg  
Vitamin D3 200 IU

## **CALCIUM**

- Promotes bone mineral density
- Promotes growth of skeleton tissue

## **VITAMIN D**

- Stimulate the absorption of calcium
- Prevent hypocalcemia

## **ZINC**

- Zinc aids normal growth and wonder healing
- Zinc aids bone matrix formula

## **MAGNESIUM**

- Absorb calcium
- Increase bone density
- Prevent osteoporosis

## **Indication in**

- **Impaired Growth**
- **Rickets**
- **Hypocalcaemia**
